9.	Legal Cases	Notice Sent	Unit	Complaint
A.	#6219 3519 Montero Road	09/16/14	Bar J Ranch #2	Improper Parking On Street
<p>Status: The homeowner at 3519 Montero Road was initially cited on July 23, 2014 for being in violation of Bar J Ranch Unit #2 CC&Rs, Clause 19 which reads in part as follows: “No automobiles, motorcycles, campers, trailers, boats or recreational vehicles of any type shall be kept or parked in the public streets in the property or outside of a garage on any lot”. The initial violation was for having a horse trailer and a boat frequently parked on the street. The boat was relocated and the horse trailer was absent for several weeks. In late August the homeowner once again began parking the horse trailer on the street and/or the driveway. A Final Notice was issued on August 28, 2014 and having received no response from the homeowner, a Pre-Legal Notice was issued on September 16, 2014. At the regular scheduled meeting of October 7, 2014 the CC&R Committee, by a vote of 4-0, approved forwarding this issue to the Board of Directors for legal action. The horse trailer is still being frequently parked on either the street or on the driveway. On October 15, 2014 the Board of Directors approved forwarding the violation to legal counsel for legal action and appropriate documents were forwarded to legal counsel accordingly. Legal counsel has sent the homeowner a letter requesting that the homeowner complies or the District will be forced to file a lawsuit. The homeowner failed to respond to the letter. Legal counsel filed a lawsuit for injunctive and declaratory relief against the homeowner and the lawsuit was served upon the homeowner on February 7, 2015. The homeowner has thirty days from the date he was served to file a response to the lawsuit. The homeowner’s response to the District’s lawsuit is due no later than March 9, 2015. The homeowner has agreed to stop parking the horse trailer on the street and driveway and to reimburse the CPCSD for legal fees. Legal counsel is currently negotiating the settlement agreement. The homeowner has until May 8, 2015 to respond to the settlement offer to avoid further legal action. The homeowner and legal counsel are still in the process of negotiating the settlement agreement.</p>				
B.	#6228 2967 Royal Park Court	11/19/14	Royal Highlands #1	Vehicles on Property/Nuisance
<p>Status: Following several complaints of numerous vehicles stored on the property at 2967 Royal Park Court, the issue of violations associated with the property was reopened in August, 2014. The homeowner was issued a violation notice on August 14, 2014 related to the numerous vehicles stored on the property as being a nuisance to the neighborhood and additionally, the combination of weeds on the property and the large volume of vehicles presented a very potential fire hazard. No corrective action was taken and a Final Notice was sent on September 17, 2014. Although the homeowner and Compliance Officer had several phone conversations during the months of September and October, still no corrective action was taken and a Pre-Legal Notice was sent on October 17, 2014. The homeowner and Compliance Officer had a meeting at the District Office on October 30, 2014. At that time the homeowner was informed that the “Recommended Action” related to this issue, which was on the CC&R Committee Agenda for the November 4, 2014 meeting, would be to hold further enforcement action in abeyance until the after the Board of Directors held their annual organizational meeting at their regular meeting in December. When the item was discussed at the committee meeting a motion was made, seconded and approved by a vote of 3-0, to forward the issue to the Board of Directors for legal action at the next regular scheduled Board meeting. On November 6, 2014 a letter was sent to the homeowner notifying him of this change. The November 19, 2014 regular Board meeting was cancelled and the item was subsequently approved for legal action at the Board meeting held on December 10, 2014. No further enforcement action has been taken pending further discussion by the Board of Directors. The District is proceeding with legal action to compel compliance. Legal counsel has sent a letter to the homeowner informing him to cease and desist from parking more than four vehicles in the front yard, multiple vehicles on the side and back yards and more than two vehicles in the front of the home. The homeowner has until May 13, 2015 to comply or the District will have no choice but to file another lawsuit against him. The District’s attorneys researched and have sent their previous letter to what appears to be valid U.S. Mail addresses for the homeowner. The U.S. Postal office does not deliver mail to the Cameron Park home of the homeowner since the home lacks a mail box.</p>
