General Managers Message

A Busy Summer and an Exciting Fall Ahead

It was a busy summer at the Cameron Park Community Services District! From swim lessons, summer camps and Cannonball Cinema nights to the Friday Farmers Market and activities throughout our parks and facilities, there were plenty of opportunities for our community to get outside, stay active and connect with neighbors.

As we turn the page from summer to fall, there is plenty more to look forward to at the CSD. Our Fall/Winter season brings a full lineup of recreation programs, classes, and community events for all ages. Upcoming highlights include our Fall Community Clean-Up Day on October 3, The Great Trunk-or-Treat on October 16, and the annual Christmas Craft Faire on November 21. Whether you're looking for a new activity, a chance to spend time with family and friends, or simply a fun way to connect with your community, we hope you'll join us throughout the season. Follow the Cameron Park Community Services District on Facebook, Instagram, and NextDoor and subscribe to our email distribution list to receive updates and information on activities and events.

We are also excited to see renewed activity from the Cameron Park Community Foundation. With a new Board of Directors and renewed energy, the Foundation is working to strengthen its partnership with the CSD while supporting programs, projects and organizations that benefit the greater Cameron Park community. The Foundation is planning new fundraising and community events and is looking for residents, businesses and volunteers interested in getting involved.

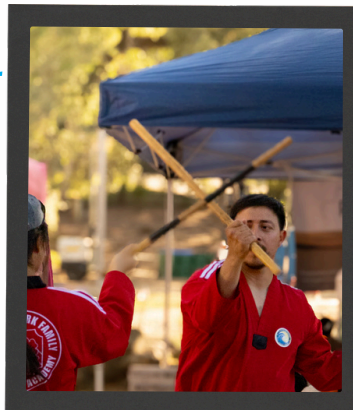

As we move into fall and winter, we look forward to another great season of recreation, community events and continued improvements throughout Cameron Park. Thank you to our residents, volunteers, community partners, Board of Directors, District staff and CAL FIRE partners who help make Cameron Park, A Special Place to Live.

— Mark

Special Thanks

Addy Hunter from Ponderosa High School shared her photography skills at the Summer Spectacular and we are so grateful for the amazing shots she got! Thank you, Addy!!

Stay Connected

Want first dibs on new classes, community events, seasonal programs, and all the fun happening around Cameron Park?

Follow the CSD on social media and sign up for our emails — it's the easiest way to keep your finger on the pulse of your community.

From family-friendly happenings to park updates, special events, and can't-miss announcements, you'll get the good stuff delivered right to you. Join the conversation, celebrate what makes Cameron Park shine, and never miss an opportunity to get involved. Tap in, follow along, and let's make community happen together.

Volunteers in Support Program

Complete the Volunteer application and join our Volunteer Email group for upcoming orientations and opportunities to contribute!

Cameron Park Community Services District is proud to continue our Volunteers in Support Program (VIP) — a meaningful way for residents to get involved, give back, and make a lasting impact right here in Cameron Park.

As a VIP, you'll:

- Support parks, recreation, fire, and community programs
- Build new skills and gain hands-on experience
- Meet neighbors and strengthen community connections
- Play an active role in helping Cameron Park thrive

The VIP program offers opportunities for ages 14+, from one-time special events to ongoing assignments. Every hour donated makes a difference, and our VIPs are recognized as essential partners in creating a vibrant, connected community.

Be part of something bigger — become a VIP and help shape the future of Cameron Park.

Become a Community Partner

Cameron Park Community Services District is proud to invite local businesses, service organizations, and community members to join us as Community Partners for the 2027 event season. Our events bring thousands of residents together each year, creating moments of connection, celebration, and community pride — and your partnership helps make them possible.

Why Partner With Us?

Community Partners play a vital role in supporting the programs and events that make Cameron Park vibrant. Your contribution directly enhances the experiences we offer while giving your business meaningful visibility throughout the community. From family-friendly festivals to seasonal celebrations, your support helps us deliver high-quality events that strengthen the fabric of Cameron Park.

Major CSD Events You'll Be Supporting

Our annual lineup features some of Cameron Park's most beloved traditions, including:

Summer Spectacular – Our largest community celebration with live music, vendors, and fireworks.

Community Clean-Up Days – A hands-on event that brings residents together to care for our shared spaces.

Holiday Specific Events – Our Trunk or Treat and Egg-Streme Egg Hunts are exciting events for our younger residents.

These events draw residents of all ages and provide excellent opportunities for businesses to connect with the community.

Partnership Levels & Benefits

Our partnership program offers tiered sponsorship levels, allowing you to choose the level of involvement that fits your goals. Each tier includes increasing visibility and recognition:

Community Supporter is a great entry-level option for individuals or small businesses. At this level, you will have your name listed as a supporter, with recognition on event materials

Bronze Partner is ideal for businesses seeking consistent visibility. At this level, you will have logo placement on select promotional materials, with recognition at events.

Silver Partner is for business seeking opportunities for an on-site presence at events and provides enhanced visibility across multiple events. At this level, you will have your logo on flyers, banners, and social media.

Gold Partner is for businesses that are looking for strong community engagement and brand exposure. At this level, you will have premier logo placement on major promotional materials, booth or signage opportunities at flagship events and verbal recognition during event announcements.

Platinum Partner is for businesses looking for sole representation of their sector. This level provides top-tier recognition across all major events, prominent logo placement on banners, digital promotions, and print materials, an on-site presence at all major events and a leading role in supporting community programming.

Each level offers meaningful ways to connect with residents while supporting the programs and events that make Cameron Park special.

Join Us in Strengthening Our Community

Whether you're a small business looking to grow your local presence, a service group eager to give back, or an individual who loves Cameron Park, we would be honored to partner with you. Together, we can create memorable experiences, support local families, and continue building a community we're proud to call home.

For partnership details or to get involved, please contact the Cameron Park Community Services District. We look forward to working with you.

Where Community Comes to Life

At the Cameron Park Community Services District, our fall and winter seasons are filled with moments that bring neighbors together, spark connection, and celebrate the heart of our community. As the days grow cooler and the holidays draw near, our programs and events become warm gathering places where residents of all ages can share experiences, discover local talents, support small businesses, and make memories that brighten the colder months.

Whether you're joining a festive workshop, exploring a winter market, cheering on a youth program, or staying active in one of our indoor classes, you're contributing to something bigger — a community that thrives when people come together.

In Cameron Park, we believe that connection is what turns a town into a home. Our fall and winter offerings carry that spirit forward, transforming ordinary days into meaningful experiences and keeping our community vibrant all season long.

Special Events

Santa is on the move!

Our 3-foot-tall "Have a Merry Christmas" Santa Sign is traveling around the community, and we need **YOU** to track him down!

VISIT CAMERONPARK.ORG TO VIEW THE FULL RULES AND INSTRUCTIONS!

Find Santa!

Keep your eyes open! Santa will be popping up at different locations around the community.

Take a Photo!

Take a picture with Santa that clearly shows you and the sign, along with enough of the surrounding area to identify where you found him.

Scan & Submit!

Scan the QR code below, complete the entry form, and upload your photo.

Keep Looking!

Santa won't stay in one place for long! Keep checking around the community to see where he turns up next.

Youth Programs

Get ready for fun, friends, and new adventures with the youth programs at Cameron Park Community Services District!

Whether your child loves to run, jump, create, or dance, we have the perfect activities to keep them engaged and excited. Our fitness and sports programs help kids stay active while building teamwork and confidence. Budding artists can explore their creativity in hands-on art classes, while future dancers can groove to the beat in our lively dance programs. Every session is designed to inspire, challenge, and bring out the best in every child. With a mix of fun and learning, these programs create memories that last a lifetime.

Join the fun and let the adventure begin!

Youth Programs

Staying active through sports, art, music, and recreation gives young people far more than just something fun to do — it helps them grow. Physical activity builds strength, coordination, and confidence, while team sports teach cooperation, resilience, and the ability to work toward shared goals. Creative outlets like art and music spark imagination, improve focus, and give kids healthy ways to express themselves. Whether they're kicking a soccer ball, painting a canvas, learning an instrument, or trying something brand-new, youth programs help children discover their interests, develop lifelong skills, and feel connected to their community. When kids stay active, they thrive — mind, body, and spirit.

Looking to elevate your sand volleyball game? Join Coach Mike Yates for top-tier training designed to improve your skills, strategy, and performance on the sand. Whether you're a beginner or an advanced player, this program provides expert coaching in a fun and competitive environment.

Staying active as an adult is one of the most powerful ways to support long-term health, balance stress, and stay connected to the community. Whether through sports, fitness, art, music, or recreation, engaging in regular activities helps adults build strength, improve mobility, and boost energy. Creative outlets like painting, crafting, or playing music offer a chance to unwind, express yourself, and keep the mind sharp. Group classes and team sports foster friendships, accountability, and a sense of belonging — something adults often lose as schedules get busier. From reducing stress to improving overall well-being, participating in community programs gives adults a chance to recharge, learn new skills, and enjoy meaningful time away from the daily routine. When adults stay active, they feel better, live healthier, and stay connected to what matters.

Disc Golf Course at Cameron Park Lake

Looking for a laid-back outdoor adventure? Grab your discs and hit the 18-hole disc golf course at Cameron Park Lake! Winding through beautiful scenery with lake views, shady trees, and plenty of fresh air, this course is perfect for both seasoned players and total beginners.

Pickleball Clinics

Build your pickleball confidence in these progressive classes for beginners through beginner-advanced players with instructor Robert Garcia. Participants will learn and refine essential skills, including serving, volleying, dinks, drop shots, consistent stroke technique, and both singles and doubles strategies.

New Class Proposals & Instructor Opportunities

Have a skill, passion, or specialty you're ready to share?

Cameron Park CSD is always looking for creative, motivated instructors to bring fresh, engaging programs to our community. Teaching with the CSD isn't just about offering a class — it's a chance to build your business, grow your following, and make a meaningful impact right here in Cameron Park.

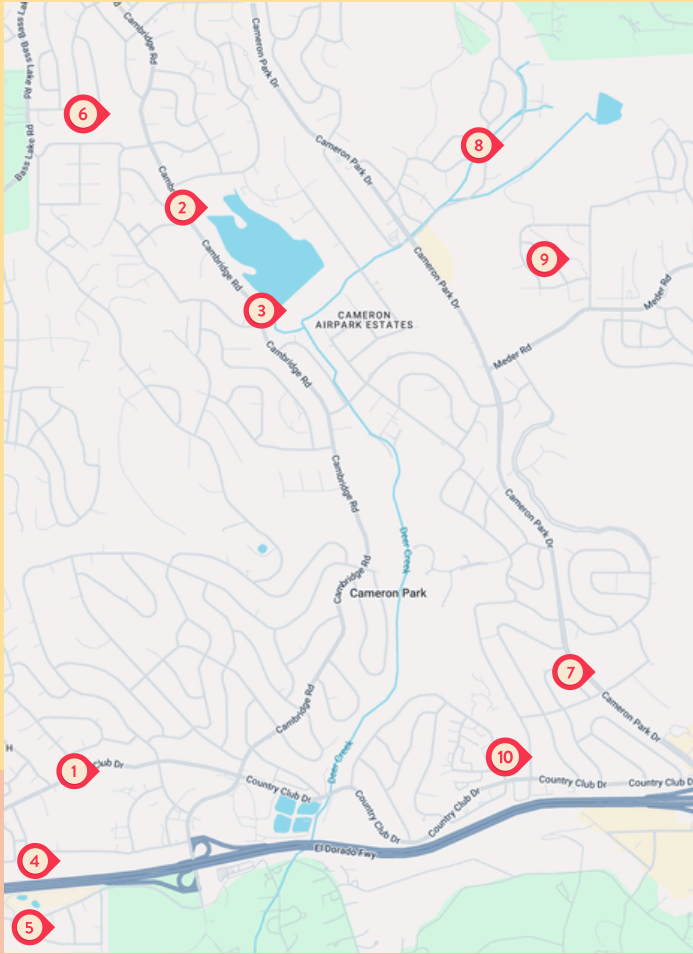

Our team partners with instructors to help turn great ideas into successful programs. We handle marketing, promotion, and registration, giving your class visibility across our Activity Guide, website, social media, and community channels. With streamlined registration through our ActiveNet system and staff support throughout the season, you can focus on what you do best: teaching, inspiring, and creating memorable experiences.

Whether you're launching something brand-new or expanding an existing venture, the CSD provides a welcoming platform to grow, connect, and thrive. Bring your expertise — we'll help you share it with the community.

Preparing for the Fall Season.

As we enter the fall season, the CC&R department would like to remind you of items to prepare before the cold, rainy season.

Roof and Gutter:

It's a good idea to make sure your roof and gutters are clear of leaves and debris. If you do not have gutter guards, you may need to complete this process several times throughout the season. This will help avoid gutter damage, roof leaks, overflows, and dry rot.

Watershed, Culverts and Ditches:

Cameron Park needs its residents to help clear the way for winter stormwater runoff. Our stormwater system is primarily an above-ground drainage system that relies on all landowners and residents to clear culverts, swales, and ditches on their property, which comprises the interconnected drainage system for stormwater. Please clean all leaves and debris from entering your watershed. Each landowner has a responsibility to keep culverts, swales, and ditches clear on their property. This includes your culvert pipe under your driveway entry and any watershed coming from a neighbor's lots. The Cameron Park CSD is not responsible for enforcement of one property owner's watershed to another. This is a neighbor and homeowner's responsibility.

Unfinished projects:

It's time to complete your projects and button them up for the fall/winter season. Please do not leave materials out in your frontage. Even if they are tarped and tied down, they are not permitted to remain in the frontage. Many of us have wood piles for stove fires in the winter. Please make sure these wood piles are secure and safe. For safety requirements please get in touch with our local Cameron Park Cal Fire Department for safe storage of your firewood.

Avoid Chimney Fires:

As a common annual practice, inspect your flue for any potential risks. Squirrels or birds may have built nests in your flu if they are not secured with mesh. Buildup of creosote or debris can also cause problems for your flu. Contact your local chimney sweep to inspect and clean your flu before starting your winter fires. This will help you avoid chimney fires.

Recreational Vehicles:

As a general CC&R rule, trailered items and recreational items cannot be out visible in the frontage during storage. Most of us will be putting our boats and travel trailers away for the winter season. Please make sure you have adequate storage to avoid penalties. Trailered Items, Motorhomes, Boats, jet skis, etc. will need to be stored off-site. If your CC&R allows these items on site, you are required to have adequate storage approved by the Cameron Park CC&R Department. Failure to do so will incur penalties.

**We wish you a very happy fall and holiday season. Be safe and enjoy!
Thank you for keeping Cameron Park a special place to live.**

Community Member Positions Available!

The Cameron Park Community Services District is seeking candidates to be appointed to vacancies on the Architectural Committee (ARC). These committee positions are available now.

Our CC&R Committee is requesting candidates to appoint for the 2027 Calendar Year. Candidates must be a resident of the District to apply.

WILDFIRE IS COMING.

A Message from Cameron Park Fire

ARE YOU READY?

ZONE 0: 0-5 FEET

ZONE 1: 5-30 FEET

ZONE 2: 30-100 FEET

ARROW KEY

- 10 feet of clearance from structures to bare mineral soil
- no flammable vegetation for an additional 10 feet

Defensible Space is your property's front line defense against wildfire. Creating and maintaining defensible space around your home can dramatically increase your home's chance of surviving a wildfire and improves the safety of firefighters defending your property. 100 feet of defensible space is required by law.*

ONE LESS SPARK
ONE LESS WILDFIRE

*For more information on creating defensible space and legal requirements visit
[READYFORWILDFIRE.ORG](https://www.readyforwildfire.org)

May 2025

THREE ZONES MAKE UP THE REQUIRED 100 FEET OF DEFENSIBLE SPACE:

ZONE 0: 0-5 feet of Ember Resistance

- The first five feet from your home is the most important. Keeping the area closest to buildings, structures, and decks clear will prevent embers from igniting materials that can spread the fire to your home.

ZONE 1: 30 feet of Lean, Clean & Green

- Remove all dead plants, grass and weeds.
- Remove dead or dry leaves and pine needles from your yard, roof and rain gutters.
- Keep tree branches 10 feet away from your chimney and other trees.

ZONE 2: 30-100 feet of Reduced Fuel

- Cut or mow annual grass down to a maximum height of 4 inches.
- Create horizontal spacing between shrubs and trees.
- Create vertical spacing between grass, shrubs and trees.

Use Equipment Properly to Keep from Sparking a Wildfire

- Mow before 10 a.m., and never on a hot or windy day. String trimmers are a safer option (vs. lawnmowers) for clearing vegetation.

VERTICAL SPACING

Large trees do not have to be cut and removed as long as all of the plants beneath them are removed. This eliminates a vertical "fire ladder."

HORIZONTAL SPACING

Create horizontal and vertical spacing between plants, the amount of spacing will depend on how steep the slope is and the size of the plants.

DEAD TREE REMOVAL

If you have dead or dying trees on your property, the entire tree needs to be removed to reduce wildfire risk.

MOBILE SAFETY
a Motorola Solutions Company

El Dorado County **EMERGENCY ALERTS** •

The El Dorado County Sheriff's Office of Emergency Services has implemented an alert and warning system designed to engage with the community during critical events such as wildfires, hazardous material spills, or urgent law enforcement operations. This comprehensive system deploys diverse communication methods to reach out to both residents and businesses whenever there's a potential health or safety risk. Register and stay connected.

STAY INFORMED & SAFE!

How Can We Warn You if We Can't Reach You?

El Dorado County's Emergency Alerts service uses phone calls, cell alerts, texts, emails, and the Smart911 App to update you during emergencies.

No Need to Re-register if you were on CodeRED!

Your **CodeRED** info will move to the new El Dorado County Emergency Alerts system. But, new registrations help ensure everyone gets timely emergency notifications.

SIGN UP! EL DORADO COUNTY EMERGENCY ALERTS!

>>> <https://ready.edso.org>

Our Emergency Alert System is here to keep you informed! Scan the QR code or go to the website and get connected!

REMAIN UPDATED DURING EMERGENCIES

Stay Safe with El Dorado Emergency Alerts. Your Free and Direct Mass Notification System for Critical Information and Instructions, serving residents and workers in El Dorado County.

ALERTS WHAT THEY COVER

- Fires
- Earthquakes
- Weather Alerts
- Environmental Alerts
- Crime incidents
- Guidance amid a disaster
