AGENDA ITEM #6A: GENERAL MANAGER REPORT

RECOMMENDED ACTION: RECEIVE AND FILE

The El Dorado County Transportation Commission is working with the City of Placerville and El Dorado County to propose new sidewalks and bike paths routes. Maps are available in the back of the room during tonight's Board Meeting and also online at <https://www.edctc.org/atp-plans>. Please provide comments back to the District or directly to El Dorado Transportation Commission. These maps will be discussed in more detail at the October Parks and Recreation Committee Meeting. On another transportation note, I attended the El Dorado Transit Plan meeting, along with other stakeholders, and provided feedback about their proposed long term service plans.

I attended the Senior Leadership Council meeting, and met separately with President Jo Ann Perry to discuss the successes or improvements needed for senior programming. Mark Harris, Cameron Park Community Foundation, and I met to discuss topics of common interest such as Trucks and Tunes, Summer Spectacular, and long range community planning. Terry LeMoncheck and I met to discuss expanding art programming at the Community Center.

I am working with other CSDA Gold Country Chapter Board members to plan a "Be Grant Ready" workshop for members on October 24, 2019. I participated in a SCI Consulting webcast about the "Proper Care and Feeding of Development Fees."

The District had great success in securing community members to join the Solar Energy Ad Hoc Committee, CC&R Committee, and new LLAD Ad Hoc Committee. Staff is setting meeting dates and on-boarding the new members.

Lastly, there are a couple of staffing adjustments. Whitney Kahn will be serving as the Interim Recreation Supervisor. Whitney is an experienced recreation professional and will pick up the reigns from Tina Helm for a few months until a permanent replacement is secured. Kate is on leave for the next four to six week, and lucky for the District, Robert Dalton is available to work part-time in the CC&R Office. Mike Grassle is picking up the Architecture Review function.

- Labor Day at the Pool was held on September 2nd and over 200 people attended. Two raffle prizes were created with about 30 entries vying for the prize. Community members participated in some of the games, however, most just came for the day to enjoy the pool.
- The Fall Activity Guides were delivered on August 16th and staff received lots of positive feedback on the issue.
- The kiosk booth closed for the season as of Monday, September 2nd. Thank you to all staff that worked the booth this summer.
- The pool will remain open on the weekends through the month of September with hours from 1-4pm.
- Sports groups are out on the fields at Dave West, Christa McAuliffe, and Rasmussen Parks. These groups include: Prospector Soccer, Ponderosa Little League, Mother Lode Rugby, Rescue Rebels, and Pondo Patriots.
- Staff continues to meet with the Senior Leadership Council. At the meeting in August, items discussed included the "Blast From the Past" event scheduled for Thursday, September 12th. This event is a free concert for seniors with music provided by a band that consists of 30 to 40+ members from El Dorado, Sacramento, and Placer Counties. Attendance at Senior Nutrition Lunches is increasing; 26 meals were served on Monday.

- Upcoming events include: the Blast From the Past concert on September 12th, the Yard Sale and Community Clean Up Day on September 14th, the Halloween Carnival and Pumpkin Patch on October 19th, the Christmas Craft Faire on November 23rd, the 3rd Annual Christmas Tree Lighting on December 6th, and the Santa Run/Pancake Breakfast on December 7th.

On a departing note:

This will be my final Board Meeting – I have enjoyed the more than 25 years here with the Community Services District. During my time with the district I have seen so many transformations – some (but not all) include the development of Christa McAuliffe and Dave West Park, the renovations made to Hacienda Park for the dog park, and of course the Community Center. I have enjoyed the experience of working with the staff and especially the community. I have worked under a variety of supervisors, as well as an assortment of staff and seen many changes. I began my career here as a lifeguard and worked my way up to become the Recreation Supervisor and have enjoyed it all over the years. I hope to travel and do some other things. I plan to still be involved in some way. I would like to feel that I contributed to the community and that people appreciated my contributions.

AGENDA ITEM #6E: Parks & Facilities Department Report

RECOMMENDED ACTION: **RECEIVE AND FILE**

General Information

- Staff met with Rosemary O’Camb, a resident who lives on Cameron Park Lake. The topic discussed was utilizing volunteers to assist park staff with maintaining Cameron Park Lake. Staff created a flyer with the different projects outlined for the volunteers.
- Staff met with Target Specialties to discuss the lack of turf grass at Cameron Park Lake. Staff will come up with a detailed plan this fall to address this issue.
- The District was issued a Government Bar Number so we can get all of the District fleet smogged and recorded.
- The District is seeking quotes for a new utility vehicle to assist the department with accessing the open space properties. This purchase was approved in the FY 2019-20 budget to replace the failing golf cart.
- The superintendent met with Cal Fire station 88 and the Air Park staff to discuss large oak trees that need to be topped. The trees are impeding the line of sight for the planes that take off from the airport.

Cameron Park Lake

Growlersburg cleared the vegetation on the face of the dam along with the spillway into Deer Creek. Staff used an aquatic herbicide to eliminate the tules throughout the spillway.

Sports Fields

Sports fields are business as usual. Prospector Soccer is utilizing Christa McAuliffe and Rasmussen Park for the summer and fall seasons.

Parks and LLADs

- Staff replaced an irrigation valve at Bar J A west of El Norte. The landscaping was not irrigating. Everything is up and running again.
- The District has had two successfully completed Eagle Scout projects at Hacienda Park. The first project was a split rail fence between the parking lot and creek. The second project was to build 4 picnic benches that were placed around the outside of the dog park.

Community Center

Ski Air came out to service all of the roof top HVAC units. This is part of the District preventative maintenance plan. Ski Air replaced 9 belts, 4 fans, and cleaned all the coils. They also eliminated all of the wasps that were living inside the units.

Skate Park

- District staff met with members of the community regarding the closure of the skate park on Monday, August 12th. The topics discussed were rules and regulations, roles and responsibilities, expectations, and consequences. Overall, the meeting went well and the District has not experienced any issues since the meeting. The District will close the skate park for a period of time if the expectations are not met moving forward.
- Staff will be meeting with Mr. Security in early September to discuss upgrading the cameras at the Skate Park.

AGENDA ITEM #6F: CC&R Report

RECOMMENDED ACTION: RECEIVE AND FILE

Kate Magoolaghan is out on leave for up to six weeks. Mike Grassle, Parks Superintendent, is covering the Architecture Review, and Robert Dalton is covering CC&R Compliance as a part-time, contract employee. Staff feels fortunate to have Bob cover Kate's desk with his knowledge and experience. Bob is getting his feet underneath himself in this busy office, and we appreciate everyone's patience.

The CC&R meeting was postponed by one week due to a lack of quorum. The agenda will include consideration of a new community member, and to discuss a process to update policies and procedures that provide framework for both CC&R enforcement/compliance and Architecture Review.

AGENDA ITEM #8: **PROPOSED NAME CHANGE FOR HACIENDA PARK**

RECOMMENDED ACTION: **CONSIDER PROPOSAL; SEE ATTACHED CORRESPONDENCE**

Introduction

At the July 2019 Parks and Recreation Committee meeting, Board Member Holly Morrison presented the subject of changing the name of Hacienda Park to Paul Ryan Park. Friends of Paul Ryan are requesting that the Board of Directors approve changing the name of Hacienda Park to the Paul Ryan Park (Attachment 8A).

Paul Ryan served the community as a District employee and Board member. Cameron Park Community Services District (District) Policy 1061 (Attachment 8B) provides guidance to the Board of Directors for naming District Parks and amenities.

Parks and Recreation Committee

The Parks and Recreation Committee was divided in their support of the proposed name change. Items discussed included the bench and memorial area located at the lake, and concern over changing the name of an established, long-time park.

Discussion

According to District records, Paul Ryan served as an employee and Board member as follows:

- 1992 hired as a Maintenance Technician I
- 1994 promoted to a Maintenance Foreman
- 1996 promoted to a Parks Superintendent
- 2002 resigned as a Parks Superintendent in July
- 2002 elected to the Board of Directors in November
- 2006 resigned from the Board of Directors and was hired as a Parks Superintendent in the same month, January

While the District records are unclear, Ryan provided leadership to the District in the absence of a General Manager, especially during the construction of the Cameron Park Community Center.

Paul Ryan passed away on August 5, 2015 while employed at the District. Shortly after his death, Ryan's family raised funds and constructed a memorial at Cameron Park Lake, which includes a plaque, bench, tree and planter (photos available at the Board meeting).

Dear Cameron Park Community Services District Board of Directors,

We come before the Cameron Park Community Services District Board of Directors (CPCSD BOD) with our request to rename Hacienda Park in order to honor Paul Ryan, a much loved and highly respected member of the Cameron Park Community and CPCSD Family.

Mr. Ryan held key positions with the CPCSD in his many years with the district. Among them were Interim Co-General Manager, a seat on the Board of Directors and Parks Superintendent.

Paul wore many hats during his association with the district and always provided superior leadership no matter the task. From his early years of service came the ideas, plans and supervision to create many of the iconic attractions and facilities including Chardi Corner, Cameron Park Lake - Lagoon and Dam, Community Center, Gym, Pool, Skate Park and our Dog Park.

Please accept our request to rename Hacienda Park as Paul Ryan Park. It was obvious to anyone who knew Paul how much he loved our special community and all the parks. Hacienda Park houses the off-leash dog park, Paul's last major project, and embodies the incredible partnerships he formed to take an idea through to a successful completion. There is no one more deserving of the community's acknowledgement for contributions that have made Cameron Park 'A Special Place To Live'.

'Friends of Paul Ryan' represents a vast group of community members, co-workers, dignitaries, Friends and Family who loved and respected Paul for his charm, humbleness, sense of humor, vision, dedication, steadfast loyalty to the community and teams, (staff, co-workers, Fire Department Family, Volunteers, Board of Directors, Friends and Family) never seeking personal praise or acknowledgement for his many accomplishments.

Renaming a park in his honor is a fitting tribute to such a beloved representative of the Community and CPCSD Family.

Respectfully,

Friends of Paul Ryan

Re: Paul Ryan-Park

Dear Vice President Scobey and Board Members Carlson, Wooten, Morrison and Aiston,

In that I believe I know only one of the current CPCSD Board Members, let me provide a brief introduction. I am David M. Johnson and between the years 1994-2010 I was a CPCSD Board Member for 12 years, 4 of which I served as Board President. Unfortunately I cannot attend the September 18, 2019 board meeting. Therefore I am submitting this letter to express my opinions re Paul Ryan and why naming a CPCSD park after him would be very appropriate.

I worked with Paul on many matters during my time on the board. Most of this time was when Paul was Parks Supervisor but also the time period that Paul served as a Board Member. Therefore I was able to see his qualities both as a CPCSD employee and also as a CPCSD Board Member. There was an additional time period, actually I think two, when, due to reasons that are not relevant re the current matter, Paul, when asked by the board to step up and take over as a temporary co-general manager (along with Livia), assumed these additional duties without hesitation, worked extra hours, and greatly helped out the CPCSD.

To summarize Paul's qualities both as an employee and also as a Board Member, what I recall very well is how Paul was usually my 'go to' person whenever I needed assistance, or just advice, regarding a project, or other matters I encountered as a Board Member. The response I would get from Paul was always one of how he would look into the matter, figure out what had to be done, and accomplish whatever was needed to be done. He was absolutely NOT one of those kind of people who would appear to listen to whatever issue was being discussed, let the verbal back and forth be concluded, and thereafter do nothing. As already said, Paul was my 'go to' person to get things done. The CPCSD was extremely lucky to have had Paul as a member of their organization.

As to naming a CPCSD park after Paul, I think that idea is excellent! Without Paul's dedication, for many, many years, to the CPCSD, I believe Cameron Park would not be close to as good of a community that it is today.

I and my wife Pamela have been residents of Cameron Park since 1992.

If you have any questions for me, I can be reached at (916) 769-6460 or dmjlawcp@comcast.net.

Take care,

David M. Johnson

To the board of directors of the Cameron Park community services district

Paul Ryan has been an inspiration to me all of my life.

As his nephew, I grew up admiring his work ethic, example to others, love for his community, family and friends.

What an appropriate and well deserved tribute it would be to rename Hacienda Park to Paul Ryan Memorial Park

Thank you for your consideration

Dear Holly

I am writing this letter to the CPCSD Board of Directors to support the request to rename Hacienda Park in honor of Paul Ryan, a much loved and highly respected member of the CPCSD. I would be grateful if you would share it with Monique Scobey, Felicity Carlson, Ellie Wooten and Eric Aiston. Board of Directors, as I write your names I realize that none of you, except Holly, may have known Paul or at least were not associated with the CSD while he was such a beloved member of the Cameron Park Community Services District.

As an active member of the the El Dorado Dog Owners Guild (EDDOG) Board of Directors I was just one of the team privileged to work with Paul in the creation of the first off leash dog park on the Western slope of the Sierra Nevada Foothills. Paul supported the Hacienda dog park from the early conceptual stages of planning and design through fundraising and construction to seeing the dream become a reality. He was there with us for the dedication of the dog park. He was there for the Grand Opening. Throughout the years Paul's guidance, encouragement and support were crucial for the success of the project.

Paul loved all the parks but I believe he had a special place in his heart for the dog park. As of now the park is named after a road. How fitting to rename it in honor of the man who played such an important role in its creation. I sincerely hope you will support the request to rename Hacienda Park as Paul Ryan Park.

I have a longstanding commitment on the evening of Wednesday 18th September else I would be at the Board Meeting to offer my support in person.

Thank you for your consideration of this request.

Sincerely

Susan P. Hawkes
VP EDDOG

To whom it may concern:

I will be unable to attend the meeting and speak in person but would very much like to make the suggestion that we honor the late Paul Ryan by adding his name and making it the Paul Ryan Dog Park.

Paul did so much for our community. I would be here all night if I made a list but even as far back as the inception of the Skate Park, Car Shows, and many other community events, Paul was supportive, active and went well over and above all of his job requirements and was known county wide for his many efforts of support for community events and projects.

It would be most appropriate and a grand gesture on his behalf if we could honor him by naming Hacienda Park, The Paul Ryan Park.

Thank you in advance for making this "as it should be."

Dear Board Members:

I am writing in support of the El Dorado Dog Owners Guild's proposal to rename Hacienda Park to Paul Ryan Park. Given Mr. Ryan's service of over twenty to Cameron Park as, General Manager, Parks Superintendent and Board of Directors member and his participation in creating a signature attraction at Hacienda Park in the dog park enclosure it is a fitting and deserved tribute. Mr. Ryan was not only one of the champions of the dog park he over saw the construction and upgrades at David West Park and was instrumental in creating and managing the Community Center that the board of directors and committees meet in today.

I encourage each of you to support this change of names as soon as it is on the agenda. To do less would be an insult to a man who helped bring Cameron Park from a CSD that had little or no attractions to a place with multiple features that are the envy of the County.

Sincerely,

Gerald W. Lillpop

Dear CSD Board of Directors,

My uncle, Paul Ryan, was one of the hardest working human beings I have ever had the pleasure of knowing. His dedication and love to the park is something you don't see from very many people. He put his work and his employees above anything else. He was motivated to make all events the best anyone had seen. It wasn't for recognition or to say he is the best, it was because he truly cared and wanted to help make magical moments for Cameron Park. His spirit should live on in Cameron Park as he so deserves.

To whom it may concern,

I am writing this on behalf of my uncle, Paul Ryan.

Growing up in Cameron Park, I was lucky enough to have wonderful family support, and a great community in which to live. Both of these things are very important to have and I was able to find both of them through my uncle's time, patience, and care.

One of the biggest parts of this community was Paul Ryan. There are many memories I have of him and most involve loving and caring for this community in many ways. Many times I have seen him at Cameron Park Lake working tirelessly in preparation of an event, or even just working hard to keep the park/lake clean and a great place for everyone to enjoy. I even remember him rallying troops (myself included) to help prepare for things like the Fourth of July event, so that no detail would be missed in making it a great memory for the town. Events held in other areas of Cameron Park can also be attributed to his hard work. He was also a part of building our town sign! For me, each place in Cameron Park has a special memory about him.

Everyone that spoke of Paul Ryan spoke of his amazing work ethic and dedication to this community and I am very proud of him. It would be a wonderful honor and a great dedication if we were to rename Hacienda Park to Paul Ryan Memorial Park. My family and I ask you to please consider this as he was a special part of many people's lives and such a beautiful thing.

Sincerely,

Katharine Zimmerman

Subject: Paul

Hello I'm Zane Davis , I had the fortunate experience to be hired by Paul Ryan. Paul was a great man to work for.

He looked into your eyes when he spoke to you, respected our thoughts and opinions . It was very easy to see that Paul had a genuine respect for each of us . His leadership made it easy for us to do the not so easy work of keeping up all the CSD properties , be it cleaning up the skate park, or scrubbing the toilets at the lake . This job was often thankless and far from glamorous.

Yet , I never had any reservations about showing up early in the morning. I looked forward to seeing Paul in the morning and listening to his plans for us for the week.

The boxes of doughnuts he shared with us helped motivate a little, but in reality it was Paul's classy attitude and benevolent treatment of us , the grunts, that made showing up to clean public toilets at 7 am in the morning easy.

Even though we were temp hires, there for the season , perhaps never to return. Paul treated each of us like a longtime co-worker or friend he'd known for years . He treated us like humans and not assets or machines . There was never any anxiety or stress , walking up the rickety staircase to the CSD office in the morning . (other than me hoping the staircase , doesn't choose this morning to give out)

Only an ease and sense of community that I looked forward to every morning before Paul would brief us on our daily tasks.

I knew Paul would be in there , pink box of doughnut delight open and waiting for us on his desk. Wether rain was pouring down or it was 100 degrees , Paul was always in a good mood and always created a great work environment .

Something hard to do when your day to day involves , toilets and trash. It could have been much worse, but because Paul Ryan was running the office , I never felt like a toilet cleaner , trash hauler , temp hire .

I felt like a part of the community and a respected employee and human.

Paul was one of the most genuine and kind men I've ever had the pleasure to work for. A true inspiration of human kindness , who treated everyone equally with kindness and respect.

Cameron Park was blessed by his years of service and his efforts , leadership, and legacy will no doubt continue to benefit the community of Cameron park for years to come.

It's time to honor Paul Ryan for his commitment to the Cameron Park Community Service

department

Naming a park in his Honor, would be a great way to memorialize his Legacy that is living throughout the community of Cameron Park .

Re-Identification of Hacienda Park

Dear Monique,

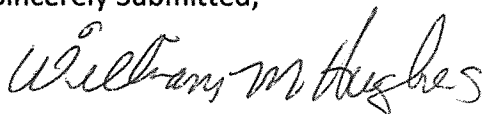

This note is to support the re-identification of Hacienda Park to the Paul Ryan Community Park. I think that this is an appropriate idea in as much as Paul supported the Community in many different ways.

1. Paul was committed to daily service over his long career to our community by providing clean and safe parks for our residents.
2. Paul was committed to working with each and every community organization that approached him for support and accommodation in the use of the parks.
3. He was committed to training and working with his staff to share his values for parks in our community.
4. Paul's pleasant personality with staff and the public set a standard for excellence in customer service.
5. There were times that Paul took on leadership roles in the CSD in order to provide fair and consistent service to our community.

Paul worked closely with The Rotary Club of Cameron Park in upgrading park infrastructure and amenities. He also supported Club activities including the Show n' Shine Event, as well as Rotary Community Work Days.

I am pleased to support the renaming of Hacienda Park to the Paul Ryan Community Park in order to preserve his work ethic, friendliness and commitment to the Community of Cameron Park.

AGENDA ITEM #9: **CONSTRUCT A DISC GOLF COURSE AT CAMERON PARK LAKE/BONANZA PARK**

RECOMMENDED ACTION: **APPROVE PLANS, RESOLUTION 2019-20, AND MEMORANDUM OF UNDERSTANDING**

Introduction

Disc Golf has been an interest to the Cameron Park Community Services District (District) and community for many years. The 2015 Park and Recreation Master Plan recommends the addition of a Disc Golf course. Staff included a Disc Golf course in the Parks Department's 2019 Capital Improvement Project List.

Parks and Recreation Committee

In August 2018, the Parks and Recreation Committee (Committee) received a proposal from the El Dorado Disc Sports Foundation (Foundation) to construct a Disc Golf course at Bonanza Park. Access to the course would be from Cameron Park Lake. The Foundation committed to fully fund course construction and maintenance requirements. The Committee expressed support of the project, and asked staff and Foundation volunteers to reach out to the community for input.

In July 2019, staff and the Foundation returned to the Committee to report the results of their community outreach efforts. After hearing about the community's support of the project, the Committee supported moving this item to the Board of Directors for consideration.

Discussion

Staff is pleased to provide an opportunity to the Board of Directors to partner with the Foundation on the construction of a new amenity for Cameron Park residents (Attachment 9B). In addition to the public Park and Recreation Committee meetings, staff and Foundation volunteers conducted community outreach in several ways:

- Workshop held at the Community Center; promotions included advertising in social media, District E-Newsletter and distribution of flyers. The meeting was well attended, especially by a few Air Park residents.
- On-site Disc Golf exhibition and invitation to participate in learning how to play.
- Information Booth at the Summer Spectacular.

Staff requested El Dorado County Planning to review and approve the Disc Golf Course at Cameron Park Lake - Bonanza Park. Current zoning for Bonanza Park is consistent with this proposed use. No additional building, grading, or environmental permits are required.

A Memorandum of Understanding between the Foundation and District outlines roles and responsibilities for course construction and maintenance. Many of the District responsibilities have been met due to the District's participation in community outreach and planning efforts. The Foundation will own the improvements at Bonanza Park for five years, then the improvements will revert to the District.

Once constructed, the course will be open for public play during normal park hours. Access is from Cameron Park Lake, and entry fees apply to disc golfers. The Foundation will partner with the District for events and activities.

Financial Impact

There is no negative financial impact to the District. The Foundation is solely responsible for funding the construction and maintenance of the course, and has successfully done so at other locations including the City of Folsom. The District is responsible for weed abatement efforts at Bonanza Park, and will continue this effort to be in compliance with the District's weed abatement ordinance.

District will receive additional revenues from disc golfers purchasing annual passes or paying park entry fees.

Bonanza Disc Golf Course at Cameron Park Lake Proposal

Proposal Area

Greetings,

El Dorado Disc Sports was born in a passion for growing the sport of disc (Frisbee™) golf and for educating the public about the physical, mental, and social benefits that a disc golf course brings to a community. In 2016 we teamed with a fantastic group of all volunteers to install the first Folsom, CA 9-hole disc golf course as board members of the local club. Shortly after that, in the Spring of 2018, we established a 9-hole youth course at a local middle school, Camarado Springs Middle School in Cameron Park. The children have disc golf as a part of their Life Fitness curriculum and they took part in the course installation creating pride of ownership.

It was during this time, working with seasoned disc golf veterans, newcomers to the sport, various local government divisions, and of course, the community surrounding the courses, that we realized our passion lay in growing the sport for anyone who wants the opportunity to play. We believe everyone should have access to a quality “home” course and be able to enjoy all that disc golf has to offer. Our goal is to bring together the disc golf world and contribute to the growth of disc golf across the United States.

We chose to offer our time, talents, energy, and passion by helping disc golf clubs, schools, and communities grow the sport of disc golf. El Dorado Disc Sports is forming partnerships with local area disc golf supporters and businesses to realize this goal. We are proud to partner with you to install a course in your community for everyone to enjoy.

Thank you for taking the time to review our information and taking an interest in working make disc golf available to your community.

I. Summary

There are now more than 6000 Disc Golf courses in the United States and Canada, nearly all installed by city and county parks departments. They have found that few recreational activities offer the high benefit-to-cost ratio of disc golf. Disc golf has relatively low capital and maintenance costs compared with other recreational installations, is environmentally sound, is played year-round in all climates and is enjoyed immediately even by beginners of all ages.

Disc Golf is played much like traditional golf. Instead of hitting a ball into a hole, you throw a more streamlined looking Frisbee® disc into a supported metal basket. The goal is the same: to complete the course in the fewest number of shots. A golf disc is thrown from a tee area to each basket, which is the "hole." As players progress down the fairway, they must make each consecutive shot from the spot where the previous throw has landed. The trees, shrubs and terrain changes in and around the fairways provide challenging obstacles for the golfer. Finally, the "putt" lands in the basket and the hole is completed.

Who Can Play?

The simple answer is that everyone can. In studies measuring participation in recreational activities, "throwing a Frisbee" has consistently been a top-ten activity. A disc golf course serves a broader portion of the community than many narrower interest activities with higher cost, skill or fitness levels required even to begin to play. Men and women, young and old, families with small children -- all can play disc golf. Because disc golf provides a means of low impact activity and is so easy to understand and enjoy, no one is excluded. Players merely match their pace to their capabilities and proceed from there.

How Much Does It Cost To Play?

Many courses are located in a city or regional parks where citizens play free. Most private and several public facilities will charge up to \$3 to \$5 per day to play or earn passive income from annual passes and fees to enter the park. The equipment itself is quite inexpensive – discs designed for golf sell for \$8-\$15 each, and only one is needed to get started.

Benefits

The sport of Disc golf has inherent social advantages. Though it can be played alone, disc golf is a group activity. Families can play together as part of a local park trip, family outing, or picnic. Many local disc clubs will play and schedule weekly contests and mini-tournaments. These weekly leagues provide a means for new and old members alike to share experiences. Additionally, disc golf clubs not only serve as a surrogate steward for the course, helping in routine maintenance and organizing events, but players form social bonds through the love of the sport.

The first rule of disc golf is to encourage good spirit and fellowship among all who play disc golf while sustaining the environment. Disc golf is a fun, challenging and affordable sport that can be played by people of all ages and skill levels while fostering a sense of place and community. Many local communities are experiencing its growth and benefits. Folsom recently completed installation of the first course and had included future courses in their Master Plan for surrounding areas in development.

II. Introduction

El Dorado Disc Sports appreciates the opportunity we have been presented to partner with the Cameron Park Community Services District ("CSD") to make disc golf course(s) in Cameron Park/Shingle Springs a reality. The nearby city of Folsom opened their first disc golf course last year at a local community park, BT Collins Park. The course was the result of a collaborative partnership between the City of Folsom Park & Recreation and our local disc golf club. The club raised the course equipment funds via fundraising events, local sponsors, and donations totaling nearly \$5000 and donated the labor to install the new 9-hole disc golf course using.

Our goal is to partner with CSD similarly to install and maintain quality disc golf courses in the area to add to the variety of activities already available to the community residents through CSD.

Installation

1. Remove soil in 5" - 12" depth in an area a bit larger than the TeePad so that you can fit the wooden frame on the ground level. You will not always need to dig that deep if you're able to fit the frame on a solid ground otherwise.

2. Build a wooden frame with outer dimensions 4" shorter than the turf mat dimensions. (PRO TeePad 5' x 12', AM TeePad 4' x 8')

3. Fit the frame steadily on a level plane aligned towards throwing direction. Fill the frame with gravel and pack it tightly. Leave 1-2 inches more gravel in the center of the frame to take the effect of sinking into account. Use either machinery or body weight for packing.

4. Attach the turf mat in the sides of the frame with screws. The mat extends 5 cm over each side of the frame.

5. Pack gravel around the TeePad so that the surrounding ground is on the same level as the TeePad.

6. Fill the turf mat surface with sand and brush the sand in. The sand makes the TeePad safe for players by decreasing friction and it also makes the turf mat last longer.

What do the pros say?

"I really enjoy them, it brings a natural feel to our most unnatural part of the course – the TeePad. I prefer the DiscGolfPark turf TeePad over both cement and rubber TeePads." **(Paul McBeth, 4x World Champion)**

"Without a doubt, DiscGolfPark's turf TeePads should be the standard in disc golf. They look good, feel good and keep my focus where it should be – at the basket." **(Simon Lizotte, European Champion 2012)**

**MEMORANDUM OF UNDERSTANDING
BETWEEN EL DORADO DISC SPORTS FOUNDATION
AND CAMERON PARK COMMUNITY SERVICES DISTRICT**

INTRODUCTION

The community of Cameron Park is in the foothills of El Dorado County, on the west slope of the Sierra Nevada along U.S. Highway 50, about 30 miles east of Sacramento, California. The community is home to about 18,000 residents and covers an area of about 8.3 square miles. The Cameron Park Community Services District (“CPCSD”) administers fire and emergency services, parks, recreation, covenants, conditions, and restrictions (CC&R’s), lighting and landscaping, solid waste disposal and recycling. It is the Mission of the Cameron Park Community Services District to preserve and enhance the quality of life and to safeguard the health, safety, and welfare of our community. The Community Services District works cooperatively with various non-profit organizations throughout the area such as El Dorado Disc Sports Foundation (hereinafter called (“EDDS”).

The purpose of this Memorandum of Understanding (“MOU”) is to foster a healthy foundation and relationship between EDDS and CPCSD and to establish guidelines, roles, and responsibilities for Bonanza Disc Golf Course at Cameron Park Lake (“Bonanza DGC”).

Given the demand for recreational programming in the CPCSD by residents, Parks & Recreation staff collaborated with EDDS on planning and installation of disc golf course(s) in the community. Increased popularity, multi-generational participation, programming opportunities, improved health and wellness opportunities, environmental sustainability and low maintenance were main factors leading to the partnership with EDDS for planned and future disc golf courses and programs in the community of Cameron Park supported by CPCSD.

The subject of this MOU is the first disc golf course in the CPCSD service area at Bonanza Park, located in Cameron Park, CA.

The EDDS will serve as the liaison between the disc golf community and the CPCSD to establish and grow the sport of disc golf in the service area of CPCSD and for installation of disc golf courses.

The Bonanza DGC will consist of 18 complete holes, including tee pads, tee signs, disc golf baskets, alternate hole placement pins, and a practice basket located near the start of the disc golf course, as approved by CPCSD.

AGENDA ITEM #10: **PARKS AND FIRE DEPARTMENTS PROJECT PRIORITY LISTS FOR GRANT FUNDING**

RECOMMENDED ACTION: APPROVE

Introduction

The Board of Directors approved funding to hire a Grant Writer (on contract) to capitalize on alternative funding sources for capital outlay requirements in both the Fire and Parks Departments. Staff worked with appropriate Standing Committees to identify necessary capital outlay. The purpose of this report is to identify and approve a prioritized work plan for District staff and the grant writer to pursue grants and alternate funding sources.

Standing Committees

- November and December 2018 - Budget and Administration Committee reviewed Fire and Parks Departments proposed Capital Improvement Project list with estimated costs. Very high priority items, such as a new fire engine, were included in the Fiscal Year 2019-20 Budget. Many items could not be included due to budget constraints.
- April through August 2019 - Parks and Recreation Committee developed a list of high priority projects for possible grant funding. These projects were identified after careful development of a ranking criteria, and are consistent with the Parks and Facilities Master Plan and Department Capital Improvement Plan.
- August 2019 - Fire Committee received Fire Department's written recommendations for capital outlay projects for possible grant funding, which is consistent with the Fire Department Master Plan and their Capital Improvement Project List.

Discussion

Based upon staff and Committee work, the following items are considered a high priority for pursuit by the Grant Writer:

Fire Department

- Radios
- Personal Protective Equipment
- Self-Contained Breathing Apparatus
- Medical Gear / Medical Monitors
- Rescue tools / equipment

Parks Department

- Improve and Weatherize Sports Fields
- Fishing Piers and Boat Launches at Cameron Park Lake
- Lagoon Replacement Facility
- Improve Playgrounds Rasmussen and Cameron Park Lake
- Replace Restrooms Rasmussen and Cameron Park Lake

Conclusion

Staff is working at the Board's direction to secure various funding sources which will position the District better in the future. Hiring a grant writer is one aspect. Another aspect includes the use of Park and Fire Impact Fees. Consistent with the approved Fiscal Year 2019-20 Budget, both Fire and Parks Departments have allocations from Impact Fees. Fire staff will be reviewing opportunities with an architect for a much needed expansion of Station 88. Park is pursuing park master plans for Rasmussen and Dunbar Park. Having specific plans for capital improvements will position the District better for future grant funding for construction.

AGENDA ITEM #11: **ADVANCED LIFE SUPPORT AMBULANCE AGREEMENT BETWEEN EL DORADO COUNTY EMERGENCY SERVICES AUTHORITY AND CAMERON PARK COMMUNITY SERVICES DISTRICT**

RECOMMENDED ACTION: **REVIEW AND APPROVE RESOLUTION 2019-21**

Background

Cameron Park Community Services District (District) and the El Dorado County Emergency Services Authority (JPA) enter into an Advance Life Support Ambulance Agreement (Agreement) annually for the delivery of pre-hospital emergency medical service. The District is one of five agencies providing services to the JPA. Contracted agencies operate medic units and are reimbursed for their costs with funds from the JPA. These costs include personnel, operating expenses, equipment, and administrative overhead. The District provides one ambulance and six employees for daily, around the clock coverage.

Discussion

The JPA approves an annual budget for ambulance services, which in turn becomes the Agreement between the JPA and the five agencies providing services. This Agreement is largely the same as in years past, continuing an existing service. Changes in the Agreement are noted below:

- Reimbursable items are clearly identified on page 9, Section 56;
- Required insurance decreased for Professional liability on page 15, Section 93.C;
- District is responsible for reimbursing the JPA for any unused funding.

Fiscal Impact

Prior to Fiscal Year 2018-19, the District billed the JPA for actual Ambulance Services costs. In Fiscal Year 2018-19, the JPA changed to a flat rate payment to service providers. For Fiscal Year 2019-20, a flat rate payment continues but the Agreement specifies that any unused portion of the JPA's payment shall be reimbursed by the District to the JPA (page 26, Exhibit B, Section 6). Since the District has historically only billed for actual JPA costs, there will be no negative impact to the District budget. JPA revenues of \$1,150,000 is included in the Fire Department budget.

Fire and Emergency Services Committee

Chief Moranz is a member of the JPA Board and represents Cameron Park Community Services District Fire Department. During late spring and early summer, Chief Moranz updated the Committee verbally about possible changes to the JPA Agreement. The JPA Board met on Wednesday, September 4 and approved their budget. Due to the timing of the JPA Board meeting and the necessity to expedite an executed agreement to the JPA, staff was unable to present this written item to the Fire and Emergency Services Committee for review and support.

This Amendment shall commence upon the Effective Date and terminate upon the termination of the Underlying Agreement, as provided therein.

7. Amendment to Indemnity.

The Business Associate shall indemnify and hold harmless all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives from any liability whatsoever, based or asserted upon any services of the Business Associate, its officers, employees, subcontractors, agents or representatives arising out of or in any way relating to this Amendment, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever including fines, penalties or any other costs and resulting from any reason whatsoever arising from the performance of the Business Associate, its officers, agents, employees, subcontractors, agents or representatives from this Amendment. The Business Associate shall defend, at its sole expense, all costs and fees including but not limited to attorney fees, cost of investigation, defense and settlements or awards all Agencies, Districts, Special Districts and Departments of the County, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives in any claim or action based upon such alleged acts or omissions.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve the Business Associate from indemnifying the JPA to the fullest extent allowed by law.

In the event there is a conflict between this indemnification clause and an indemnification clause contained in the Underlying Agreement of this Amendment, this indemnification shall only apply to the subject issues included within this Amendment.

8. Amendment. The parties agree to take such action as is necessary to amend this Amendment from time to time as is necessary for JPA to comply with the Privacy Rule and HIPAA generally.
