ADJOURNMENT

Teleconference/Electronic Meeting Protocols

Cameron Park Community Services District

(Effective April 2, 2020)

WHEREAS, on March 4, 2020, Governor Newsome proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS, March 17, 2020, Governor Newsome issued Executive Order N-29-20 suspending parts of the Brown Act that required in-person attendance of Board members and citizens at public meetings; and

WHEREAS, on March 19, 2020, Governor Newsome issued Executive Order N-33-20 directing most individuals to shelter at home or at their place of residence.

NOW, THEREFORE, the Cameron Park Community Services District will implement the following protocols for its Board and committee meetings.

The guidance below provides useful information for accessing Cameron Park Community Services District (“District”) meetings remotely and establishing protocols for productive meetings.

BOARD AND COMMITTEE MEMBERS:

- **Attendance.** Board and Committee Members should attend District meetings remotely from their homes, offices, or an alternative off-site location. As per the Governor’s updated Executive Order N-29-20, there is no longer a requirement to post agendas at or identify the address of these locations.
- **Agendas.** Agenda packages will be made available on the District’s website. They will also be sent by email to all Board and Committee Members. Note that under the circumstances, District staff may not be able to send paper packets.
- **Board and Committee Member Participation.** Meeting Chair(s) will recognize individual Board and Committee Members and unmute their device so that comments may be heard or will read comments if they are provided in writing only.

PUBLIC PARTICIPATION:

- **Attendance.** The District’s office will remain closed to the public until further notice. Members of the public will be able to hear and/or see public meetings via phone, computer, or smart device. Information about how to observe the meeting is listed on the agenda of each meeting.
- **Agendas.** Agendas will be made available on the District’s website and to any members of the public who have a standing request, as provided for in the Brown Act.
- **Public Participation.** The public can observe and participate in a meeting as follows:
 - **How to Observe the Meeting:**
 - **Telephone:** Listen to the meeting live by calling Zoom at (669) 900-6833 or (346) 248 7799. Enter the Meeting ID# listed at the top of the applicable Board or Committee agenda followed by the pound (#) key. More phone numbers can be found on Zoom’s website at <https://us04web.zoom.us/j/91011202020> if the line is busy.
 - **Computer:** Watch the live streaming of the meeting from a computer by navigating to the link listed at the top of the applicable Board or Committee agenda using a computer with internet access that meets Zoom’s system requirements (<https://support.zoom.us/hc/en-us/articles/201362023-System-Requirements-for-PC-Mac-and-Linux>)
 - **Mobile:** Log in through the Zoom mobile app on a smartphone and enter the Meeting ID# listed at the top of the applicable Board or Committee agenda.
 - **How to Submit Public Comments:**
 - **Before the Meeting:** Please email your comments to admin@cameronpark.org, with “Public Comment” in the subject line. In the body of the email, include the agenda item number and title, as well as your comments. If you would like your comment to be read aloud at the meeting (not to exceed 3 minutes at staff’s cadence), prominently write “Read Aloud at Meeting” at the top of the email. Emails running longer than the time limit will not be finished. All comments received at least 2 hours prior to the meeting on the day the meeting will be held, will be included as an agenda supplement on the District’s website

under the relevant meeting date, and provided to the Directors/Committee Members at the meeting. Comments received after that time will be treated as contemporaneous comments.

- **Contemporaneous Comments:** During the meeting, the Board President/Committee Chair or designee will announce the opportunity to make public comments. If you would like to make a comment during this time, you may do so by clicking the “raise hand” button. You will be addressed and un-muted when it is your turn to speak (not to exceed the 3 minute public comment time limit).

FOR ALL PARTICIPANTS:

- **Get Connected:** Please download Zoom application for your device and familiarize yourself with how to utilize this tool. There is no cost for using the application.
- **Ensure Quiet.** All audience members will be muted during the meeting until they are addressed by the Board/Committee as their time to speak. Please make every effort to find a location with limited ambient noise. Please turn off the ringer on your phone and other notification sounds on your devices to reduce interruptions.

We anticipate that this process of moving to remote meetings will likely include some challenges. Please bear with us as we navigate this process.

AGENDA ITEM #3A: NEW ENCLOSED GARAGE REVIEW REQUESTED BY ARC COMMITTEE
3658 SUDBURY CT. – CAMERON PARK N. #6

RECOMMENDED ACTION: REVIEW AND PROVIDE DECISION.

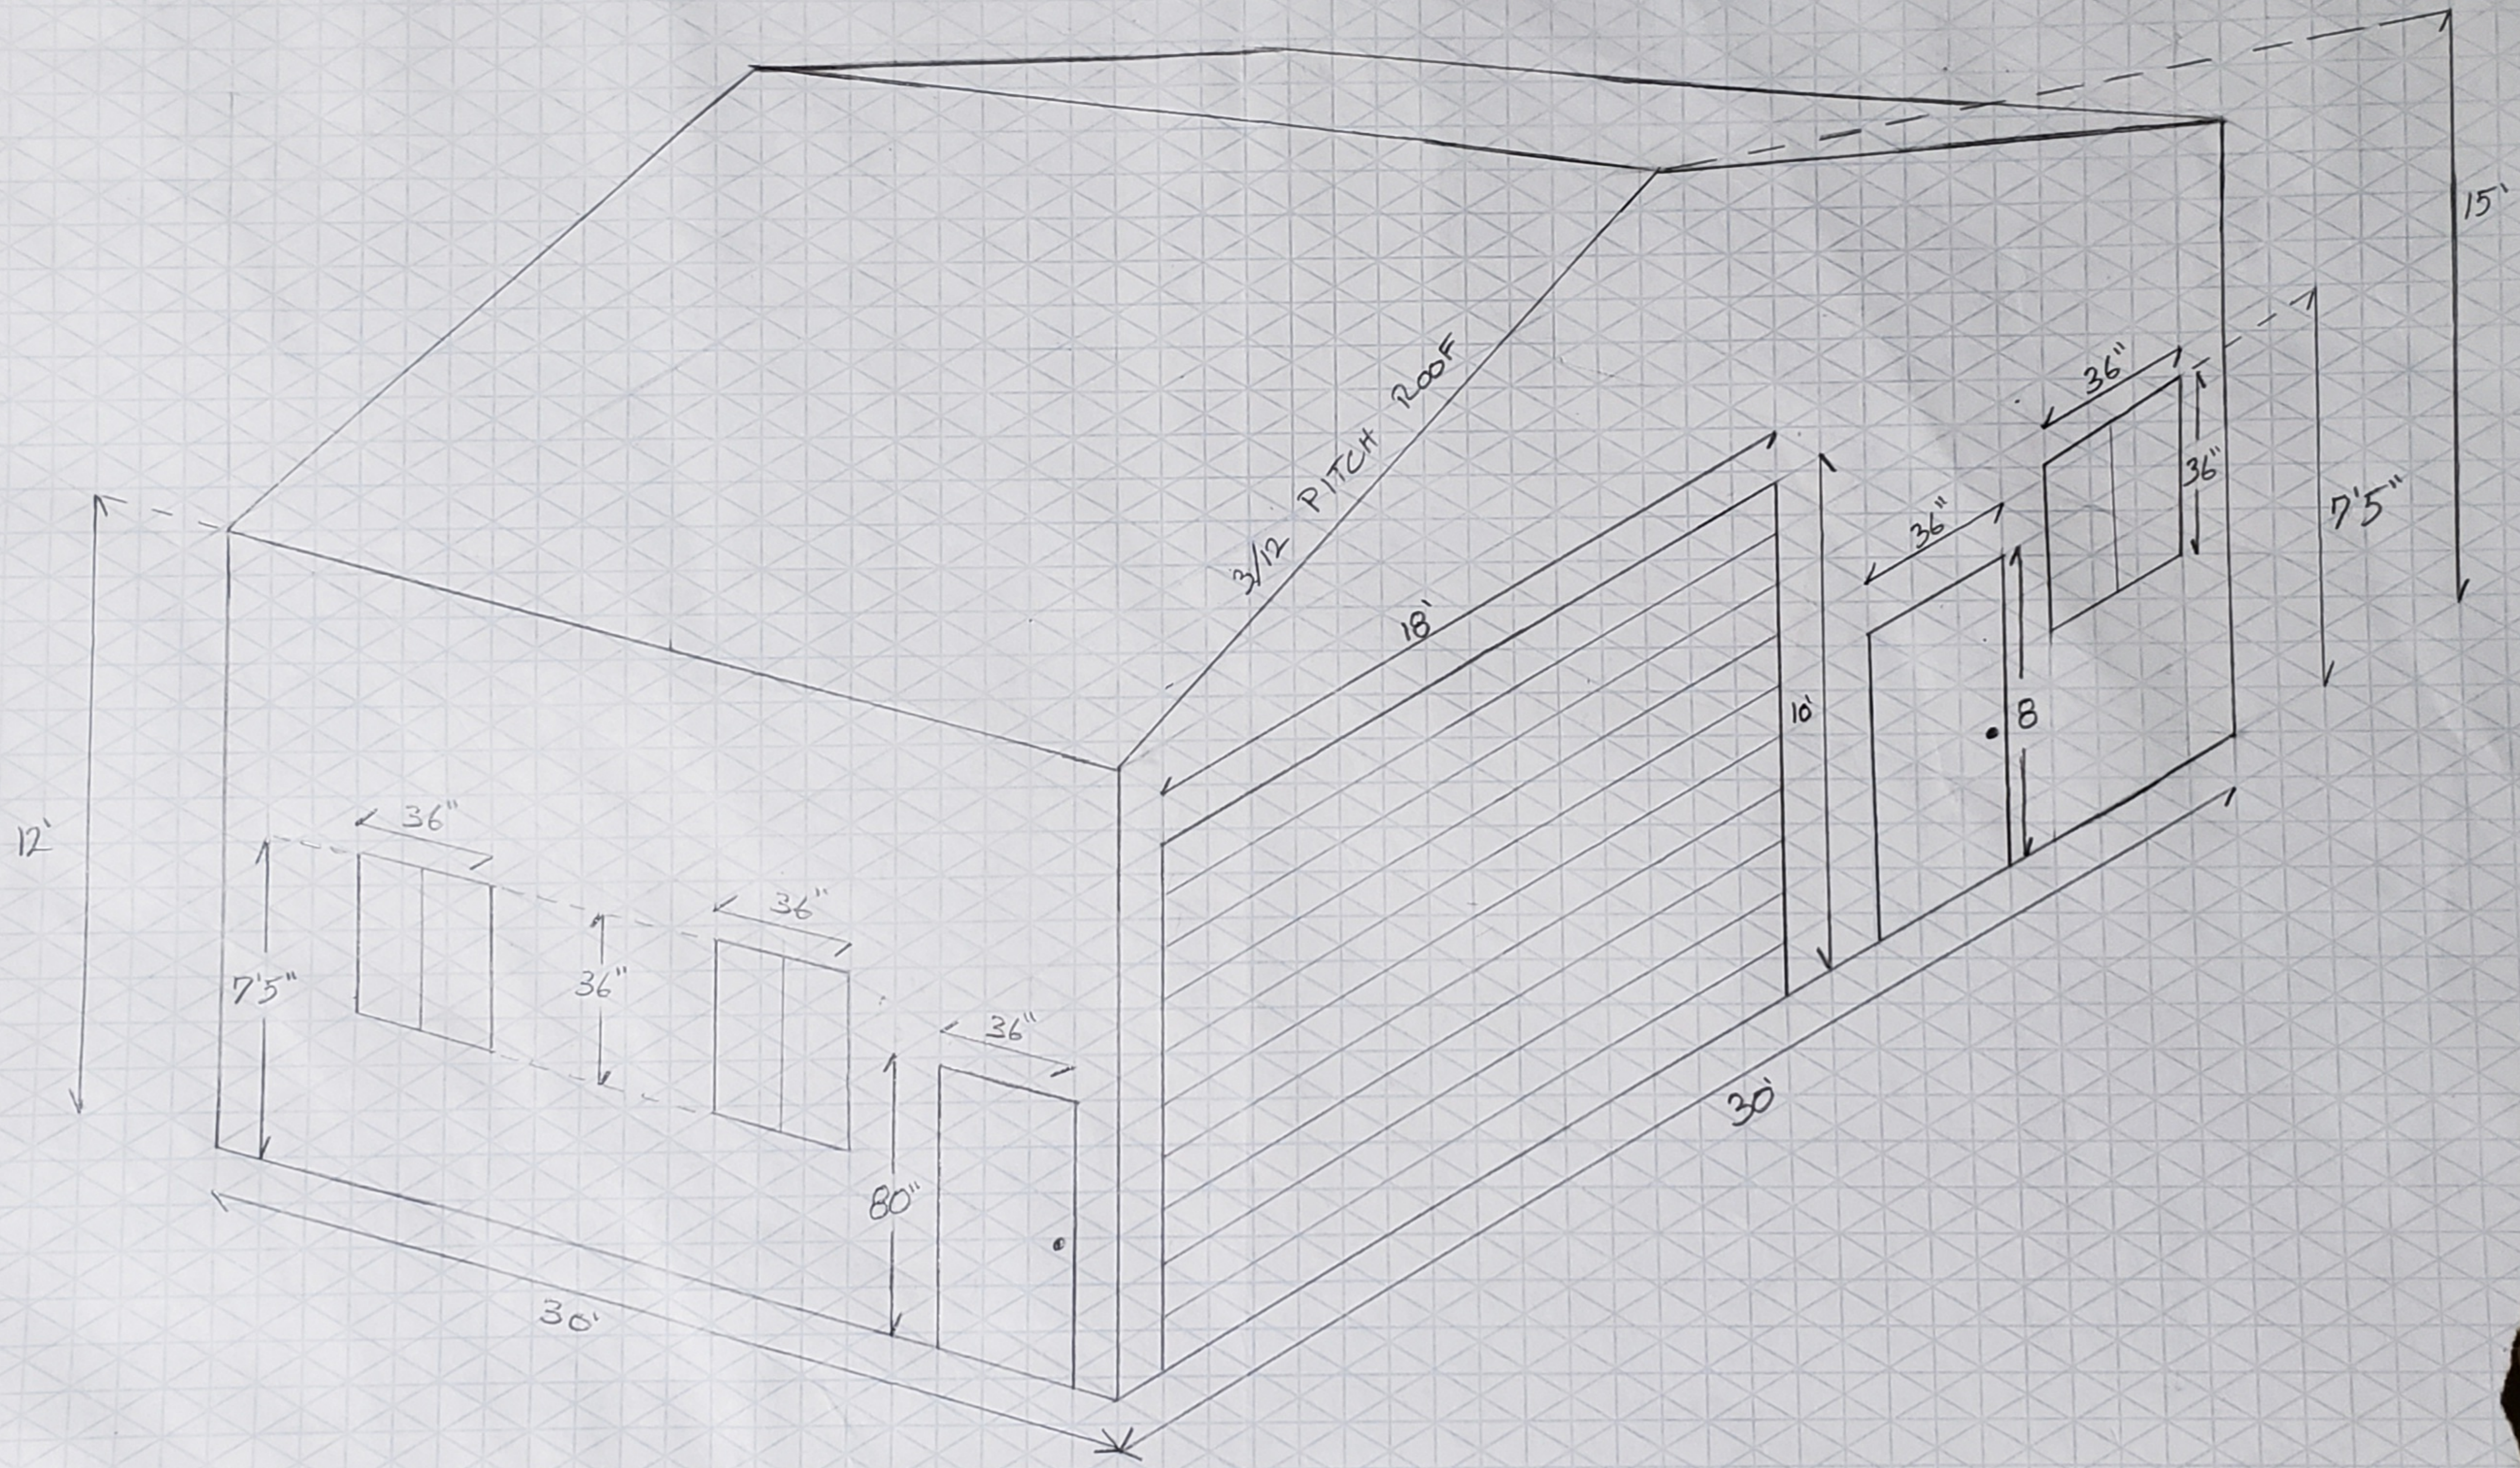

Introduction

The ARC Committee was presented with an application and details for an enclosed garage in the back portion of the lot. The request is for this new outbuilding to be built of steel construction. The following concerns regarding approval have been forward to the CC&R Committee for a final review.

1. In the past, any outbuilding enclosed structures have been required to complete the construction of outbuildings to be the same materials, treatments, and color to be equal to the main dwelling. Most CC&Rs have the verbiage that confirms “No prefabricated structure may be brought into the property”. Cameron Park N. #6 does not have this clause.
2. The location is just past the dog park and the structure will be visible from Cameron Park Dr. The ARC Committee agrees that any decision here will set a precedent for future structures of this design.
3. Any approval or denial will provide the CC&R committee with direction to make educated decisions if these types of structures become frequently requested.
